Welcome to Badminton Club Hanevoet!

Here's what you can expect as a new member:
A warm welcome and introduction.
When you sign up, you'll be introduced to other members and given a short overview of who we are, what we do, and how you can join in.

Activities and involvement

We regularly organize activities, gatherings, or training sessions. Participation is not mandatory, but we certainly encourage active involvement – the more you join in, the more fun it becomes!
Make sure to sign up for the WhatsApp groups.

Contribution to the club

As a member, we ask you to contribute wherever possible: this can be by helping out at an activity, taking on a small task, or simply being present at members' meetings. Tasks you might consider include: quality control of shuttles, helping with organizing the ladder, keeping an eye on external tournaments (and participating).

Membership and fees

There is a semi-annual contribution that enables us to run our activities. This covers hall rental, shuttles, and a drink during special evenings. There are no additional costs unless otherwise indicated.

Respect and cooperation

We find it important that everyone feels welcome. Mutual respect, open communication, and cooperation form the foundation of our club. We also have a confidential contact person within the club in case the board cannot assist. Contact via vertrouwenspersoon@bchanevoet.nl
